F.A.Q

When can I start my training?

We understand that your schedule as a lecturer can be busy and we want to do our best to accommodate you. For this reason, we are happy to welcome at any time of the year, depending on what is most convenient for you. Our school only closes 2 weeks per year, for Christmas.

Do you offer bespoke courses?

We are able to provide bespoke courses related to a specific subject or industry. The only requirement for this is to have a minimum of 3 teachers attending the course at the same time. Let us know what your project is and we will be happy to discuss the various possibilities with you.

How can I register?

The first step of your registration is to apply for funding via Erasmus +. The international department of your institution will be able to accompany you in this process. Once your funding has been accepted, you can contact us and we will send you an assessment test and our registration documents.
